☆ 2003 Kawasaki Mean Streak Bagger

1500 - \$5000 (New Prague) 

image 1 of 6

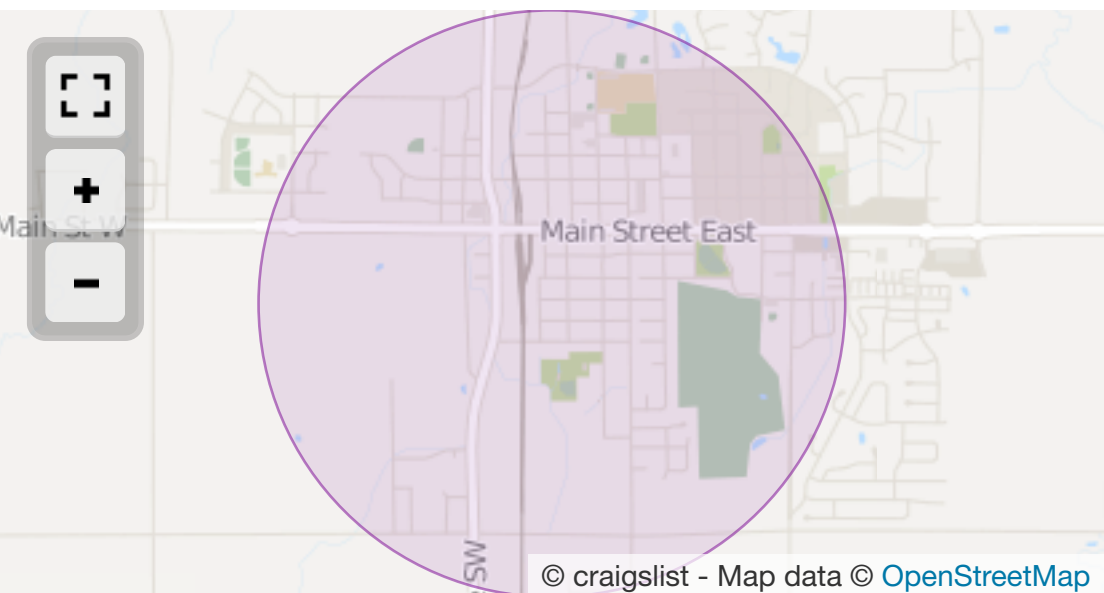

I'm selling my 2003 Mean Streak bagger custom , its been a great bike but its time to sell it and get a family boat for the river. It has 31,917 miles on it, all one off custom built by me. I get a lot of looks on it. Every time I ride it someone asks what it is!! Muzzy 2 into 1 exhust, progressive front springs custom lower rear suspension, LED taillights with integrated blinkers, HID head light, custom gel seat. I had the tires replaced 2 years ago and are still in great condition. I absolutely love this bike and it's going to be hard to let it go,

like to set up a time to see the bike just shoot me a text, email or call (six one two- [968-9655](tel:968-9655)). The bike has some flaws. I was suppose to just ride it for a year to test everything out and then make lighter parts from this mold. That WAS 20,000 miles later. it was to much fun to ride so it never got done.
